Message from Commodore Greg Myers

Thank you to everyone who is getting Rev'd Up and Ready with us at the 68th Opening Weekend at Sue Haven Yacht Club! Along with the Officers, Board of Directors and Members of Sue Haven, First Lady Cyndi and I extend our gratitude to all who are joining us for this weekend of fun and ceremony.

Representing Sue Haven Yacht Club at balls and other social events has been a privilege Cyndi and I have truly enjoyed. During the past several months, we have had the honor of forging friendships and making memories of a lifetime. We were so appreciative of all of the Commodore get togethers that took place throughout the year. Like all strong organizations, Sue Haven Yacht Club is made up of dedicated, hardworking members of the Bridge, Board of Directors and General Membership.

Each member of the club plays a role in making our Opening Weekend a success. Special thanks go to V/C Pete Beyrodt for Chairing our opening weekend and to Khriessie Toolan for her hard work on the ad book. In addition, I offer my sincere thanks to every member of the club for his or her contribution to making our weekend a success.

While the Opening Ceremony is to honor our home club, it is the camaraderie of our sister clubs that makes the event memorable. Special thanks to all the visiting clubs, officers and royalty who are joining us as we get Rev'd Up and Ready for boating season 2025. We look forward to seeing you around the bay this summer.

Commodore Greg and First Lady Cyndi

NEW CHAPTER AT OUR MARINA!

www.baltimoreboatingcenter.com

Baltimore Boating Center is excited to begin an exciting new chapter under the leadership of new owners Jesse Vann, Ryan Perlberg, and Jason Sanchez. Building on the strong foundation established by the High family since the 1960s, this new ownership group is dedicated to enhancing the guest experience, integrating updated technology, and making large-scale capital improvements to prepare the marina for 2025 and beyond. Jesse, Ryan, and Jason have already made their mark with successful projects like the launch of Charly's Waterfront, and they are committed to continuing to serve the community for many years to come.

"We're excited to share that our slip prices and winter storage packages will remain unchanged, ensuring a consistent and affordable experience for all our marina members. We'll also continue to host a variety of community events and keep our facilities open for our neighbors to enjoy. This Spring, we're thrilled to unveil our latest addition, a 9-hole mini putt-putt course! Whether you're celebrating a birthday or coming to hang, we can't wait to see you out there enjoying the waterfront views on Sue Creek. As always, we welcome your feedback and suggestions, so don't hesitate to reach out to any of us."
